Clockwork Herbarium

produkttekster (kladde) — 2/11 2026

> Status 2/11: historisk. De 12 varer er udgivet med de tekster der allerede lå i kladderne — ikke med teksterne herunder. Se drafts-udgivet-2026-11-02.md for hvad der faktisk står på siten, og hvilke fakta der blev verificeret. Filen bevares som brev bagud, fordi den viser hvor lidt der reelt manglede.

Dækker de 12 kladder i Herbarium-linjen. Motiverne og deres rækkefølge kommer fra novellen The Clockwork Herbarium [https://steamgears.eu/the-clockwork-herbarium-short-story/] (udgivet 30/10 2026): «Clockwork Rose», «Brass Luna Moth», «The Raven Chronometer» og «Nightshade Apothecary», hver som tee, art print og telefoncover.
